 Collection of non-recyclable waste in transparent bags

Trash is to set out on **the evening before the day** of pick-up, and placed visibly in the public space.

Illegal waste dumping is strictly **prohibited** and liable to a **5th class fine**.

Non-regulatory containers will not be replaced in case of breakage.

You can get free transparent bags from town halls and local centers of the Communauté de Communes (in La Haye, Lessay and Périers) upon presentation of **a proof of address**.
